CAREER OBJECTIVES

Love to have a career in English, I am not from a English background I tried to do Mba in IIM's and prepared for CAT exams in my college days but ended but dropping out of college and I never had a career of my passion. My initial aim in life was to became a businessman but I lost track of it due to life events and I figured out I love art so naturally I fell in love with English even though I don't have academic background in English. I just wish it to be associated with your organization in any way because am going to pursue B.A English and going to have Communicative English as my career.
